## About Us

Gokul Poly Valves Pvt. Ltd. is a part of the Gokul Group which is famous for its quality-centric attributes and 100% satisfied customer base. Our company is a manufacturer and supplier of Irrigation Pipes, Irrigation Sprinkler, Spray Nozzles, HDPE Pipe Fitting, etc. We as an exporter cover major markets of the Middle East, Indian Subcontinent, South East Asia and East Asia. Our ISO certified company has a capacity to manufacture in excess of 15000 pieces valves and 100000 pieces fitting per month depending on the requirement of our customers.

Under the visionary guidance of our mentor, Mr. Kamlesh Patel, we, Gokul Poly Valves Pvt. Ltd., have become a renowned enterprise. Our Ahmedabad, Gujarat based company is known in the market for supplying of Pipe Fittings, PVDF Ball Valve, HDPE Pipe Fitting, etc. The management skill and vast industry knowledge of our professionals have enabled our company to cater to a wide customer base and survive in the competitive market. We started our company in the year 2008 with the aim to offer the best value of customer's money and since then have been working with the same vision. We also render PP Flange End Ball Valve Repairing Services.
