## About Us

Dynaelectric is a trusted name in the domain of Fiber Glass Products and Insulating Material. The determination of our company to attain our set goals have made us one of the leading Exporters, Importers & Distributors of a gamut of superior quality products which comprises Self Adhesive Tape, Bopp Self Adhesive Tape, Garware Polyester Film, Industrial Adhesive Tapes, Electrical Grade Fabrics, Fiber Glass Sleeveings (Class-F), Fiber Glass Varnished Sleeveing (Class-B), Cable Tapes, Fireproof Mica Paper Tapes, and more. We procure our products from reliable vendors who are selected on the basis of stringent evaluation. We primarily look into their reputation among their previous clients before establishing any business contracts with them. We endeavor to choose only such vendors who follow ethical business rules and regulations, deliver quality products on the promised time and maintain transparency in financial matters. Our quality assessment team minutely examines the sourced products to ensure that they are perfect in all aspect. The quality assured products like Self Adhesive Tape, Bopp Self Adhesive Tape, etc are then packed in premium quality packaging material and stored in our spacious warehouse until further transit.

As our company thrives towards providing optimum satisfaction to our valued clientele, we always maintain customer-friendly policies and strictly adhere to ethical business norms. Further, we also ensure prompt delivery of all our consignments so that we can assist our esteemed customers in a better way.
