

India's Leading Brand in Vacuum Pumps - From last 20 Years

ABOUT US

Testa Instruments, established in 2023, continues our family's long tradition of excellence in vacuum technology. Our journey began in 1990 with the founding of Flowvac by our father, a name trusted for quality and innovation in vacuum pumps.

Building on this strong foundation, Testa Instruments proudly manufactures a wide range of vacuum solutions, including Diaphragm Vacuum Pumps, Belt Driven Vacuum Pumps, and Monoblock Vacuum Pump. We also deal in Ring Blowers, Dc Vacuum Pumps and Piston Type Vacuum Pumps, offering reliable products designed to meet diverse industrial needs.

At Testa Instruments, we are committed to delivering high performance, durability, and timely service. With decades of experience and a dedication to continuous improvement, we aim to be your trusted partner for all vacuum and air system requirements.
