About Us

Being a customer centric organization, Vivek Textiles is holding a strong foothold in the textile industry as a well-established Manufacturer, Importer, Exporter and Wholesaler/Distributor. Our comprehensive range of products such as Ladies Interlining Products, Non Woven Fusible Interlining, Terry Rubia Fabric, Curtain Products etc, are accessible in various patterns, colors and dimensions. Our products are widely used across the globe because of unique designing, tear resistance, washability, colorfastness, elegant look etc. With more than 25 years of experience in this industry, we have gained a lot success and popularity. We are growing strength-by-strength in the market, because of which we have been able to establish three of our company branches in Erode, Kolkata and Bhiwandi. With the motivational support of Mr. Vivek Parakh, we are able to deliver this premium quality range fabrics to our patrons at reasonable prices with prompt delivery services.

We are backed with a modern infrastructure, which is installed with latest technology facilities that helps us in fulfilling the demands of our valuable patrons. Our infrastructure is segregated into four production units which is further divided into various departments such as R&D, Administration, Sales & Marketing, Production, etc. To maintain uniform quality throughout the product range, the processing unit is resourced with ultra-modern machines, equipment and tools. Furthermore, our warehousing unit is well-furnished with high tech product handling equipment that aid in safely handling and moving the gamut. In this unit, several functions are performed various functions such as packaging, labeling and safe storing.
