## About Us

Welcome to Swim Chemical, a newly established yet highly committed manufacturer and supplier of premium construction and tile installation materials. Founded in 2025 and based in Morbi, Gujarat, we focus on delivering high-performance adhesive and bonding solutions for the building and interior industry. Our aim is to support contractors, builders, and developers with products that deliver superior strength, long-term durability, and professional finishing. As a forward-focused company, we continuously strive to meet modern construction standards with innovative and reliable formulations.

Swim Chemical, established in 2025 in Morbi, Gujarat, is a dedicated manufacturer and supplier of premium tile adhesives, grouts, and construction support materials. Our product range includes NSA Plus Interior Wall And Vitrified Tile Adhesive, NSA Pro Interior Marble And Stone Tile Adhesive, Tile Grout, Epoxy Grout and Block Jointing Mortar. Each product is developed to deliver strong bonding, smooth application, and long-term durability for residential and commercial projects. With a focus on innovation and quality, we ensure that every product meets industry standards and performs reliably across different applications. Our operations emphasize professionalism, transparency, and customer satisfaction, enabling us to build long-term relationships with contractors, builders, distributors, and end users. Through consistent quality and a commitment to excellence, we strive to become a trusted name in modern construction materials.
