1100ml Paris-Long Cap

The image shows three identical 1100ml Paris-Long Cap water bottles standing side-by-side on a dark wooden surface. The bottles are made of translucent plastic and come in three colors: red on the left, blue in the middle, and green on the right. Each bottle has a matching colored screw cap. A white label with a colored border is affixed to the lower half of each bottle. The label features the chemical formula 'H₂O' in large, bold letters, with the phrase 'Drink more Water' in a smaller, cursive font below it. The background is slightly out of focus, showing a wall with a green Buddha statue and a wooden shelf.
