About Us

Undoubtedly, children loves to play and enjoy the thrill of outdoors games. Nevertheless, recreational sports are not only a matter of frolic but can be utilized as the most powerful tool to channelize their energy in a positive way. To meet the varied desires, we, Ankidyne Science Park & Playground Equipments have come up with a comprehensive range of playground equipment like Swings, See-Saws, FRP Slide, FRP Playground Slide, Slides, Merry Go Rounds, Climbers, Fitness, Garden Decors, etc. All these equipment provide them fun and energy to play all the time. In addition to this, we also provide colourful interactive science gadgets such as Floating Bird, Gyroscope, Double Ended Cone, Rolling Disc, Musical Pipes, Bell Tower, Seebeck Siren, Nipkov's Disc, and 90 more.

Ankidyne Science Park & Playground Equipments an ISO 9001:2008 certified company, is engaged in manufacturing of wide range of quality products for playing and teaching of children. All products are thoroughly tested to ensure safety and trouble free operation. Keeping these in mind our quality inspectors take care of the whole process right from the designing to installation of our playground equipment. They check and test the whole procedure to offer our clients flawless range. In addition to this, the raw material is tested for efficiency and durability before using in the production process.

Our highly advanced manufacturing unit is spread across a wide area of land with all the latest machinery and equipment. The unit has huge installed capacity, which enables us to complete even bulk orders of our clients within the stipulated time frame. We ensure that the most modern technology forms the basis of all our processes to ensure flawless production. All our advance range of machines are operated by our well trained machine operators, who are committed to deliver quality range of products like Playground Seesaw, FRP Playground Slide etc on time to the valuable customers.
