

We Manufacture The Materials
Strictly As Per IS, BS, ASTM & DIN Specifications

Eastern **E**ngineering **E**nterprise
An ISO 9001:2015 Certified Company

Manufacturer, Supplier & Regular Exporter of Various Industrial Rubber
Moulded & Extruded Products, Precision Engineering Products and
Conveyor Spare Parts.

■ Company Profile

Eastern Engineering Enterprise an ISO 9001: 2015 certified company was established in the year of 2018. Since its inception, the company has grown as the most recognized Manufacturer, Supplier & regular Exporter of various Industrial Rubber Moulded & Extruded Products, Precision Engineering Products and Conveyor Spare Parts. We manufacture various types of industrial rubber moulded and extruded products as per customer drawing and material specifications in Natural Rubber, Viton Rubber, Silicon Rubber, Neoprene Rubber, EPDM Rubber, NBR Nitrile Rubber, SBR, TPR, Alfas, HNBR, Polyurethane Rubber, Butyl Rubber & Biprene Rubber.

Our manufacturing capabilities, highly qualified staff and constant research of market demand permit us to expand our clients' circle constantly and to consolidate relations with our long-term customers. Over the years, we have accumulated a wealth of experience and expertise that has earned us the reputation of being among India's leading manufacturers of Industrial Rubber products.

We manufacture the materials strictly as per IS, BS, ASTM & DIN specifications. Our position of strength has further been attained by our focus on R&D and Human Resource Development and above all, our commitment to customer satisfaction. Fulfilling their needs

■ Quality Control

The main goal of **Eastern Engineering Enterprise** is to provide the highest quality of the products manufactured by our Company, the unconditional fulfilment of the requirements and expectations of our clients, as well as full compliance with quality standards and regulatory requirements for the products. Efficiently functioning Quality Management System ensures the highest quality of Eastern Engineering Enterprise products, their competitiveness, as well as total elimination of risks for the Customers.

Eastern Engineering Enterprise Quality Management System is certified and comply the requirements of International Standard ISO 9001.

Rubber O Rings & All Different Types of Hydraulic Seals

O-Ring & Oil Seal

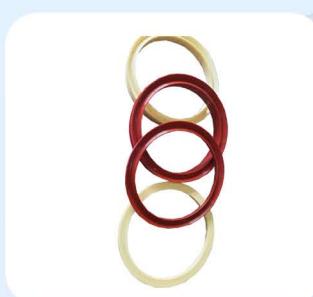

Hydraulic Seal Kit

Chevron Set Packing

Rubber Coller Bush
