About Us

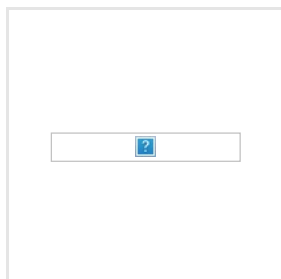

With a mission to meet the requirements of clients associated with Electrical Panel, Thermal Paper Sticker, Aerosense Pressure Switch, Sensor & Transducer, etc., we, Sunder Electronics, started our business. Our measuring and testing instruments are demanded because of their quality, accuracy and excellent attributes. Since 1998, we have been able to hold the reputation of a trustworthy manufacturer and supplier on pillars of excellence, fair policies, prompt delivery, etc. We are a company with good financial position and the best resources which are helping us outshine in the competitive market. We make sure to fabricate our range in compliance with international standards. Besides, to accomplish various tasks, we have hired certified experts. Our professional are masters in the task allocated to them and help the company meet set goals. As we are a customer-centric firm, our efforts are always focused towards making our prestigious clients delighted by offering them the best value of their money.

Holding experience of many years, we, Sunder Electronics, are supplying Glass Level Indicator, Telescoping Stainless Steel Pitot Tube, Flowmeter, Handheld Loop Calibrator, etc. It is since 1998, we have been leading the respective industry with our quality assured range of products. The production house from where we carry out all our business operations is situated in New Delhi, India and is unified with high-end machines. We export our products in foreign counties like Australia, Egypt, France, Germany, and many more. Our company is proud to see that our manufactured range has become the prime choice of countless customers. We are continuously working hard to maintain the leading position of our company and keep all our customers satisfied.

Key Facts

Primary Competitive Advantages	snap action thermostat,capillary thermostat,electric thermostatic incubator,
No of Staff	5
Year of Establishment	1998
OEM Service Provided	No
ProductRange	snap action thermostat,capillary thermostat,electric thermostatic incubator,

Our Products

Multi Gas Analyzer

Glass Level Indicator

Digital Flowmeter

Water Level Indicator

Digital Anemometer

Bimetal Temperature Gauges

Multi-Channel Analog Input Modules

Weather Proof Pressure Gauges

EcoTester Series Measuring Tester

Dwyer Magnehelic Gauge

Digital Differential Pressure Gauge

Digital Pressure Gauge

Dial Temperature Gauges

Weather Environmental

Digital Scanners Loggers

Magnehelic Gauge
