Room Interior

Description: A stylish children's bedroom featuring a custom built-in bunk-bed design in a soft sage-green finish. The room includes two cozy bunk sleeping areas with beige curtains, cushioned green back panels, pillows, and a plush stuffed toy. A compact staircase provides access to the upper bunk, while a rope climbing area and indoor climbing wall add playful elements. The lower section includes storage compartments, and children's toys are arranged on the floor. The overall design combines warm wood, muted green tones, soft textiles, and playful details to create a comfortable and adventurous children's space.
