## About Us

Tirth Engineering sincerely caters to the market demands for all types of commercial level food processing machinery. In 2002, we started this company with small resources but big vision and mission. Since inception, we have been working with the zeal to become the market leader in the food processing machinery business. We supply Gulla Cutting-Portioning Machine, Potato Vada Making Machine, Peda-Ladoo Making Machine, Blending And Kneading Machine, Samosa-Patti Making Machine, Gas and Fuel Bhatti, Multipurpose Slicer Machine, Khoya-Mava Making Machine, and many other advanced machines. These are praised among customers for being maintenance free, portable, highly efficient, and user-friendly. Moreover, we also engineer and provide customized machines that are made as per the technical specifications shared by clients.

With rich engineering skills and technical expertise of food processing machines sectors, we, Tirth Engineering, started our journey. We are engaged in manufacturing and exporting efficient Potato Vada Making Machine, Gulla Cutting-Portioning Machine, Peda-Ladoo Making Machine, Blending And Kneading Machine, Multipurpose Slicer Machine, Khoya-Mava Making Machine, and many other machines. We have sharp experts with rich knowledge and experience to help us efficiently develop, assemble and deliver reliable machines. Our machines are low on maintenance, their speedy operations and low power consumption make them crucial assets at various food processing units.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	imli goli making machine,peanut ladoo making machine,coconut ladoo making machine,shengdana ladoo making machine,atta ladu making machine,besan laddu making machine,bundi ladoo making machine,motichoor laddu making machine,burger tikki making machine,tikki making machine
<b>No of Staff</b>	20
<b>Year of Establishment</b>	2002
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	imli goli making machine,peanut ladoo making machine,coconut ladoo making machine,shengdana ladoo making machine,atta ladu making machine,besan laddu making machine,bundi ladoo making machine,motichoor laddu making machine,burger tikki making machine,tikki making machine

## Our Products

**TE62-A 25 Ltr Khoya-Mava Making Machine**

**TE01-B - 02-B Potato Vada-Tikki Making**

**TE64-A 100 Ltr Khoya-Mava Making Machine**

**TE64 150 Ltr Khoya-Mava Making Machine**

**TE01-B - 02-B Mid Variant Peda-Ladoo**

**TE64 100 Ltr Khoya-Mava Making**

**TE65-A 150 Ltr Khoya-Mava Making Machine**

**TE63 50 Ltr Khoya-Mava Making**

**TE01-C - 02-B Top Variant Peda-Ladoo**

**TE01-A - 02-A Potato Vada Making Machine**

**TE01-B - 02-B Gulab Jamun Making**

**TE63-A 50 Ltr Khoya-Mava Making Machine**

**TE01B-04-05 Peda Stamping Machine**

**TE01-B - 02-B Peda Making Machine With**

**TE62 25 Ltr Khoya-Mava Making Machine**

**TE01-A - 02-A Base Variant Peda-Ladoo**
