About Us

Established in 2025, Times Portable Cabin is a trusted trader and supplier of premium quality portable infrastructure solutions based in Mumbai, Maharashtra, India. We specialize in offering reliable, durable, and cost effective portable cabins that are designed to meet the evolving space requirements of businesses, construction sites, commercial establishments, educational institutions, and industrial projects. Our product range includes 12x35 Feet GI Portable Cabin, 4x12 Feet Portable Toilet Cabin, 8x40 Feet GI Portable Office Cabin, 10x20 Feet GI Portable Cabin, and much more, each manufactured using quality materials to ensure long lasting performance and structural strength.

Our focus is on supplying cabins that combine functionality, portability, and aesthetic appeal while maintaining high standards of quality. Every product is selected to deliver excellent weather resistance, comfortable interiors, and practical layouts suitable for temporary as well as long term usage. We emphasize timely delivery, transparent business practices, and responsive customer support to ensure complete client satisfaction.
