## About Us

D Scon Construction Private Limited is a trusted service provider offering reliable and high-quality solutions across multiple construction domains. Since 2022, we have been serving clients with a commitment to precision, safety, and professional execution. Based in Pune, Maharashtra, our company focuses on delivering results that align with modern industry standards while ensuring complete client satisfaction. Whether its a minor repair task or a large-scale structural requirement, we bring expertise and dedication to every project.

We offer a diversified set of services, including Concrete Chipping Services, Civil Construction Services, Construction Supervision Services, Interior Painting Services and Industrial Fabrication Work Services. Each service is handled by specialists with hands-on experience in their respective fields. We aim to provide end-to-end support, beginning with requirement analysis and ending with seamless execution. Our goal is to offer practical solutions that support durability, functionality, and aesthetic value for all types of projects.
