

LIQUID CHEMICAL

Driven by a passion to deliver the best

100 kg MTO Chemical Solvent, 200L N Hexane Liquid, 210 kg Liquid Benzene Chemical, 215 kg DOP Polymer Additive Liquid, 25 kg PE Wax Polymer Additive, 25 kg Zinc Stearate Polymer Additive, 250 kg Liquid Toluene Chemical, 250L Industrial Solvent Degreaser Chemical, 25kg Propel PP Granules, 50 kg Epoxy Resin A Polymer Additive, 50 kg Liquid Dispersing Agent, Alkyne 10 kg Titanium Dioxide Rutile, Alkyne 25 kg Optical Brightener Powder, Alkyne 250 kg Methyl Tin Stabilizer Powder, Alkyne 270 kg Textile Printing Thickener Powder, etc.

HYGAIN 25 KG PVC RESIN POWDER

GLOBAL 25 KG CALCIUM CARBONATE POWDER

SHINETSU PVC POLYVINYL CHLORIDE POWDER

About Us

Established in 2022, Alkyne Polymers Private Limited has rapidly grown into a trusted and dynamic supplier and trader specializing in a diverse range of high-quality industrial raw materials. Our product portfolio includes Polymer Additive Liquid, N Hexane Liquid, PP Granules, Solvent Degreaser Chemical, and many other essential chemical and polymer solutions that cater to varied industrial applications. With a strong focus on consistency, reliability, and performance, we ensure that every product we deliver meets stringent quality standards and supports the operational needs of our clients across multiple sectors.

At Alkyne Polymers, we channel all our efforts toward fulfilling customer expectations through superior product quality, timely delivery, and responsive service. Our commitment to ethical business practices and complete transparency in every transaction has enabled us to build long-term, trust-driven relationships with our valued customers. We believe that integrity and professionalism form the backbone of sustainable growth. Our journey of progress and market recognition is deeply attributed to the visionary leadership of Mr. Kamlesh Gupta (CEO). His strategic direction, expertise, and unwavering support have played a pivotal role in guiding the company toward continuous expansion, operational excellence, and a strong presence in today's competitive market.

Key Facts

No of Staff	10
Year of Establishment	2022
OEM Service Provided	No

Our Products

**25 Kg Zinc Stearate
Polymer Additive**

**25 Kg PE Wax Polymer
Additive**

**50 Kg Epoxy Resin A
Polymer Additive**

**Alkyne 10 Kg Titanium
Dioxide Rutile**

**Jinhai 25 Kg Titanium
Dioxide Rutile**

**Kmml 25 Kg Titanium
Dioxide Rutile**

**250 Kg Liquid Tolune
Chemical**

**Alkyne 25 Kg Optical
Brightener Powder**

**Alkyne 270 Kg Textile
Printing Thickener**

**100 Kg MTO Chemical
Solvent**

200L N Hexane Liquid

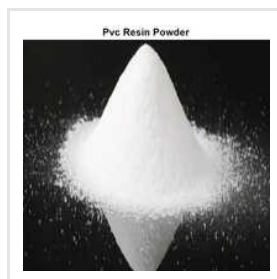

**25kg Propel PP
Granules**

**210 Kg Liquid Benzene
Chemical**

**Alkyne 250 Kg Methyl
Tin Stabilizer Powder**

**Yangmei Hengtong 25
Kg PVC Resin Powder**

**50 Kg Liquid Dispersing
Agent**

ADDRESS

**107, Vardhman Fashion
Mall, Pitampura, Delhi, Delhi,
India (110034).**
