About Us

Indus Heaters, we are dedicated to providing high-quality heating solutions that meet the diverse needs of our clients. As a leading manufacturer, importer, exporter, and supplier, we specialize in a wide range of heating products designed for various applications across multiple industries. We take pride in our extensive selection of heating solutions, including Tubular Heater For Liquid Heating, Low-Density Cartridge Heaters, Mica Band Heaters, High Thermal Coil Heater, Digital Temperature Controllers and many more, with a focus on delivering exceptional performance, reliability and efficiency in every product we offer.

We understand that every client has unique needs, and our commitment to customization ensures that we deliver products that are perfectly suited to your applications. Our expert support team is always available to assist with product selection, installation, and maintenance, providing you with the resources you need to succeed.

Key Facts

No of Staff	30
Year of Establishment	2002
OEM Service Provided	No

Our Products

Low Density Cartridge Heaters

Coil Heater For Injection Moulding

Band Heater For Plastic Industries

Split Type Cartridge Heaters

Mica Band Heaters

Ceramic Cartridge Heaters

380W Brass Sealed Mica Band Heaters

Tubular Heater For Medical Equipments

Brass Sealed Mica Band Heaters

Ceramic Band Heaters

Tubular Heater For Packaging Industries

Band Heater For Barrels And Dies

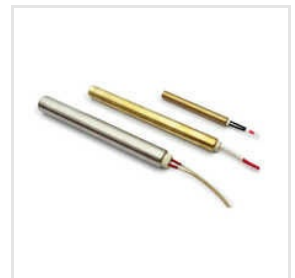

High Density Cartridge Heaters

Tubular Heater For Ovens And Dryers

Tubular Heater For Liquid Heating

Cartridge Heater For Shoe Making
