About Us

We, Ambica Electricals are devoted towards providing our customers the highest quality supervising systems that include BOSCH Public Address Systems such as Conference Systems, Audio Conferencing Systems, Bosch Conference Systems, Conference Sound System, Security Camera Fire Alarm System, many more.

As a wholesaler / distributor, authorized channel partner of Bosch PA and Communication System as well as the authorized service center of Bosch PA and Sound System (North Region), we exchange our knowledge with our business partners to have a thorough understanding about the products that we offer. Being into the wholesaling business since the year 1991, we are looked upon as a symbol of trust and by following the footsteps of our Sales Head (Partner), Mrs. Rashmi Sharma Puri; we are able to reach out to more individuals and business organizations that require our products. Each of the products offered by us is sourced from highly reputed and renowned brands of the industry to ensure that these are of superior quality. This is being the reason; our product line features high precision, system integration, low maintenance, etc.
