## About Us

With over 10 years of expertise, Shiva Corporation mission is to provide high-quality PP straps, PET straps, and other industrial packaging materials tailored to meet diverse industry needs. Our straps are designed to be compatible with fully automatic, semi-automatic strapping machines, and manual hand tools. We offer a wide range of widths, thicknesses, and vibrant colors. Additionally, we provide an online printing facility, enabling eye-catching branding directly on the straps. Our products are synonymous with high standards, advanced technology, cost-effectiveness, and versatility, making them suitable for all packaging applications.

We are present in Rajkot, Ghaziabad & Kolkata. Our factory located in Shapar GIDC, a renowned industrial hub in Rajkot (Gujarat), our company benefits from modern infrastructure, state-of-the-art facilities, and excellent transportation connectivity across PAN India. At the heart of our business is a commitment to quality. We adhere to rigorous quality standards and parameters, supported by our team of technical specialists. Each product undergoes stringent quality checks for strength, curvature, dimensions, elongation, sealing, and packing to ensure unmatched reliability and performance. Our dedication to quality ensures our clients always receive the best.
