About Us

Beelixir Honey Private Limited is a manufacturer and supplier committed to delivering naturally sourced honey with consistent quality, and the product names are 250ML Apple Honey, 250ML Beelixir Honey, 250ML Junglee Honey, 250ML Kesar Honey and other premium-quality honey. The organization has developed a reputation for reliability by maintaining disciplined operations and a customer-focused approach. Its business philosophy centers on purity, safety, and responsible production practices that support long-term growth while meeting market expectations.

Beelixir Honey Private Limited is a premium manufacturer and supplier based in the heart of New Delhi, Delhi, India. Established in 2025, the organization is dedicated to delivering the purest essence of nature through its specialized range of artisanal honey. Their product lineup features meticulously sourced varieties, including 250ML Apple Honey, 250ML Beelixir Honey, 250ML Junglee Honey, 250ML Kesar Honey, and a wide variety of premium honey. By focusing on ethical beekeeping practices and minimal processing, the firm ensures that every jar retains its natural enzymes, antioxidants, and distinct floral profiles.
