About Us

Established in 2022 and headquartered in Pune, Maharashtra, SR Sons Springs India Private Ltd has quickly emerged as a trusted manufacturer, supplier, and service provider in the field of high quality springs and precision components. With a commitment to excellence and innovation, we cater to diverse industrial needs, delivering products that combine durability, reliability, and superior performance. Our comprehensive product range includes Barrel Spring, Pin Clip, Extension Springs, Volute Spring and many other specialized spring solutions. Each product is engineered with precision, adhering to stringent quality standards to ensure optimal functionality across applications in automotive, machinery, electronics, and other industries.

We believe in building lasting relationships with our clients by offering customized solutions, timely deliveries, and exceptional after sales support. Our state-of-the-art manufacturing processes, coupled with skilled craftsmanship, allow us to consistently meet the evolving requirements of our clients while maintaining competitive pricing. Driven by a passion for innovation and a focus on quality, we continuously strive to expand our product portfolio and technological capabilities. Our mission is to be a preferred partner for spring solutions in India and beyond, delivering products that not only meet but exceed industry standards.
