About Us

A.S. Enterprises is committed to providing high-performance industrial lubrication and fluid solutions to ensure the smooth operation of automotive and industrial applications. As a trader and supplier, we strive to provide consistent products to ensure the efficient operation of industries, minimize wear on machinery, and enhance overall machinery performance. The product portfolio covers a range of products such as rust preventive oil, spindle oils, automotive radiator coolant, automotive lubricating greases, premium turbine oil, and hydraulic oils, all chosen to satisfy changing demands of various industries. A quality and reliability-driven approach has led to the establishment of good relationships with clients who require reliable lubrication and maintenance solutions in challenging industrial environments. All products provided are chosen to provide the best possible equipment protection, thermal stability, corrosion resistance, and smooth operation. The objective is not only to provide industrial oils and lubricants but also to contribute towards improved machinery life and uninterrupted productivity for customers.

The focus is on having a consistent product standard and delivery with a dedicated team and a business approach that is focused on customers. Combined with a good understanding of markets and business ethics, we are able to respond effectively to the diverse needs of industry and guarantee full client satisfaction. A S Enterprises' continued focus on quality solutions and reliable service will help maintain its industry reputation and continue to serve businesses with trusted lubrication and coolant solutions for modern industrial applications.

Key Facts

No of Staff	25
Year of Establishment	2017
OEM Service Provided	No

Our Products

Industrial LCM Grease

IPOL IPLEX GREASE 3

Automotive Steering Oil

Industrial IPOL Grease

Industrial Shell Grease

501 Rubber Process Oil

701 Raj Kyros Rubber Process Oil

Soluble Cutting Oil

Automotive Brake Oil

MP 2 And 3 Grease

IPOL IPLEX MPC 2 Greases

Rust Preventive Oil

ISI-335-1993 Transformer Oil

Quenching Cold Oil

201 Raj Kyros Rubber Process Oil

Girth Gear HD Grease
