About Us

United Mercantile Exports is a trusted trader and supplier committed to the provision of high quality agricultural products and processed food products to various markets. Our products are based on purity, nutrition, and quality as we are highly committed to authenticity and freshness. Each lot is organically grown on reputable farms that employ responsible and sustainable production techniques, so that high quality produce that satisfies the changing market needs is produced.

United Mercantile Exports is a company located in Nashik, Maharashtra, India, and is a trader and supplier of high quality agricultural produce and processed food ingredients, established in the year 2024. Having a lean and alert workforce, the organization is designed in the way that it ensures efficiency, responsiveness, and individual service to each customer. The company focuses on ethical sourcing and responsible agriculture when engaged in the supply of fresh pomegranate, green banana, red onion, and onion powder. The good relationship with the trusted farms facilitates the constant acquisition of naturally grown produce that passes the quality standards of freshness, nutrition, and uniformity. Hygienic packaging and processing of goods are useful in preserving the integrity of goods and increasing their shelf life during transportation and storage processes.
