About Us

Eagle Equipments Private Limited is known for manufacturing long-lasting, budget-friendly, advanced products that consume less power and require low maintenance. Under the guidance of Mr. Mukund D More, Director, our company is producing Double Skin Air Washer Evaporative Cooling Units, Radial Fan, Heavy Duty Industrial Centrifugal Blower, etc. We are extremely proud to state that in all our business deals, we have attained optimal customer satisfaction and have emerged as a top-notch manufacturer and supplier of the mentioned range. High-class material is utilized to make the entire array, thereby, enabling us to develop flawless products.

Some other features that make our product popular in the market are fluent performance, dimensional accuracy, trouble-free operations, etc. Quality control guidelines along with other set norms are being duly followed and carried out at our units. Our products also incorporate user-friendly operation and are delivered along with the assurance of quality right at the doorstep of the esteemed customers.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	air circulation fan,tube axial flow fans,hvls fans,double inlet blowers,cabinet fans,pvc eliminators,fan impellers,air washer units,duct fan,ring blower
No of Staff	15
Year of Establishment	2009
OEM Service Provided	No
ProductRange	air circulation fan,tube axial flow fans,hvls fans,double inlet blowers,cabinet fans,pvc eliminators,fan impellers,air washer units,duct fan,ring blower

Our Products

Chiller Condensor Cooling Fan

Axial Fan Impeller Blades

Industrial Heavy Duty Centrifugal Fan

Mobile Pivot Floor Mounted HVLS Fan

High Volume Low Speed Fans

Wall Mounted High Volume Low Speed

Parking Exhaust Jet Fan

Evaporative Cooler Unit

HVLS Fan

Inline Circular Fan

Inline Cabinet Fan

Tube Axial Fan

Inline Rectangular Fan

Double Skin Air Washer Evaporative Cooling

False Ceiling Mounted Cassette Fan

EC Fan
