## About Us

Established in 2020 and headquartered in Khambhat, Gujarat, Shri Hari Chemicals has rapidly emerged as a trusted name in the chemical industry. As a manufacturer, supplier, and trader, we specialize in providing high quality Calcium Chloride Lumps, Calcium Chloride Prills, Calcium Chloride Solution and Calcium Chloride Powder, catering to diverse industrial applications. Our mission is to deliver products that combine superior quality with consistent reliability. Our state-of-the-art manufacturing processes ensure that every batch of Calcium Chloride meets stringent quality standards, offering excellent performance across sectors such as water treatment, construction, and chemical processing.

Our strong commitment to customer satisfaction drives us to maintain seamless supply chains, timely deliveries, and responsive support, building long lasting relationships with clients across India and beyond. We pride ourselves on adhering to environmentally responsible practices while embracing innovation and efficiency in every aspect of our operations. With a skilled team of professionals, modern infrastructure, and a client focused approach, we continue to set benchmarks for quality and trustworthiness in the chemical industry. Whether you require Calcium Chloride Prills, Powder, Lumps, or Solution, we ensure products that meet your specific requirements with consistency and excellence.
