About Us

Catering to the requirements of various industries, we, India Flex Engineering, are a leading manufacturer, exporter, trader and supplier of a complete range of Metallic and Non Metallic Expansion Joint, Metallic Hoses, and Pressure Vessel Equipment. We are also an importer of Nickel products and provide designing solutions for the aforementioned products. Our product range is tailored in accordance with all the established national and international quality norms. In the able leadership of Mr. Kalpesh Patel, who has 20 years of experience in this industry, the company has become one of the most sought-after destinations for the customers in a short period of time.

As a customer-centric organization, we always strive hard to satisfy the customers completely with our services and commitment. We believe in providing the customers with best and, constantly work towards improving our efficiency and standards of our Metallic and Non-metallic Expansion Joint and other products. Such a focused approach has earned us the reputation as a reliable industry player. Better quality of products could only be gained with better infrastructural set up. Recognizing the importance of having a world class infrastructure, we have invested heavily in the manufacturing unit, R&D and testing laboratory. Spread in an area of 24,000 Square Foot, the manufacturing unit is outfitted with all the latest technology and advanced machinery.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	flexible expansion joints,rubber bellows,non metallic expansion joints,metallic expansion joints
No of Staff	35
Year of Establishment	2009
OEM Service Provided	No
ProductRange	flexible expansion joints,rubber bellows,non metallic expansion joints,metallic expansion joints

Our Products

Octagonal Bellows

Single Gimbal Expansion Joint

Externally Pressurized Expansion Joint

Toroidal Expansion Joints

Inline Pressure Balancing Expansion

Ply Bellow

Testable Ply Bellows

Dual Expansion Joint

Dual Reinforced Expansion Joints

Pressure Balanced Expansion Joints

Dual Gimbal Expansion Joint

Dual Hinge Expansion Joint

Hexagonal Bellows

Expansion Joint

Hexagonal Expansion Bellows

Hexagonal Expansion Joint
