INTRODUCTION

About Us

Born out of the idea of offering various types of Hose Crimping Facilities, providing related Hydraulic Services and stocking and selling of a wide range of Hydraulic and Industrial Hoses and related components under one roof, **Hydroflex Solution** is the brainchild of **Hasan Kutbuddin**. We cater to the growing, manifold demands of our clients, while playing the role of an industrial component's hub. We envision being your preferred one-stop shop for all your hydraulic and industrial services requirements.

We are a team of zealous individuals who want to give you delightful experiences by offering you apt solutions for your needs and backing you with any other related services based on your requirements. With quality and precision as our cornerstone, the industries we serve are:

- » Oil & Gas
- » Drilling Rigs
- » Manufacturing Industry
- » Steel Plant
- » Power & Desalination
- » Construction Equipment
- » Heavy Vehicle Transport
- » Marine & Shipbuilding

Our Mission

To be an all-inclusive space for the supply & crimping of all kinds of Hydraulic, Industrial & Stainless Steel Hose Assemblies and related Services. To establish an arena for industries and individuals to experience seamless inquiry-delivery operations.

Our Vision

Backed by strong business relations and ample experience in the field, we envision being synonymous with customer satisfaction and flawless quality by catering to the needs of various industries through the setup of our related diversified lines.

Our Values

Knowledge

Professionalism

Promptness

Innovation

Integrity

Accountability

What We Do

With the unwavering support and confidence of our clients, we

- » Deploy our knowledge as dealers in industrial wares for all your requirements
- » Render precise products and services based on your site requirements
- » Offer quick on-site deliveries to ensure your work continues smoothly
- » Deal with complete and competitive manufacturing solutions

Apart from a variety of industrial components, we also offer the following services:

- » Crimping of Hose Assemblies
- » Lathe Machine Works
- » Calibration of Gauges & Instruments
- » Testing of Hose Assemblies
- » Pump & Cylinder Repair
- » Hydraulic Seals & O Rings

HOSES

One Steel Wire Braided Hose (R1)

Two Steel Wire Braided Hose (R2)

Textile Braided Outer Layer Hose (R5)

Textile Braided Inner Layer Hose (R6)

HYDRAULIC RUBBER HOSES

Four Steel Wire Spiral Hose (4SH)

Four Steel Wire Spiral Hose (R12)

Six Steel Wire Spiral Hose (R13)

PTFE Lined SS Braided Hose

Medium Duty Air Hose

Water Suction & Delivery Hose

Oil Suction & Delivery Hose
