About Us

We, Cellgene Bio Science, are an eminent Manufacturer, Supplier, Trader and Exporter of Agro Chemicals and Agro Products. Considering agriculture as the foremost means of survival, we make sure to produce hygienic products such as Fertilizer, Bio Pesticide, Mix Micro Nutrients and Wetting Agent. All these Agro Chemicals are thoroughly tested on various quality parameters, following each specification of international standards. Moreover, we adhere to every demand of prevailing market trends, which helps us to meet each requirement of our valued clients. Starting from procurement of raw material to processing to final delivery of products, we adopt stringent measure at each stage, so that the best can reach to our customers.

Established in the year 2002, we are marching forward on the way of excellence by continuing our hard work with full dedication. Our organization firmly believes in innovation as we lay serious contribution towards research and development. It not only helps us to stay updated with the market trends but also backs us to ameliorate our products with requisite scientific alterations. Furthermore, we have resourceful units of quality, warehouse, packaging and production, where our trained employees render their best skill to come up with positive solutions. As a quality determined organization, the philosophy of our organization is to serve clients with full transparency, giving full value of their money.

**Key Facts**

Nature of Business	Manufacturer
Primary Competitive Advantages	humic shiny balls,potassium f humate,humic acid,agricultural herbicides,chemical herbicides,bio insecticide,insecticide formulations,plant growth promoter,agricultural fungicides,agricultural insecticides
No of Staff	9
Year of Establishment	2002
OEM Service Provided	No
ProductRange	humic shiny balls,potassium f humate,humic acid,agricultural herbicides,chemical herbicides,bio insecticide,insecticide formulations,plant growth promoter,agricultural fungicides,agricultural insecticides

Our Products

**CYPERMETHRIN 25% EC
INSECTICIDES**

**MANCOZEB 75 WP
FUNGICIDES**

SULPHUR 55.16 SC

DELTAMETHRIN 2.8 EC

DELTAMETHRIN 11 EC

IMIDACLOPRID 17.8% SL

IMIDACLOPRID 30.5 SC

IMIDACLOPRID 70WG

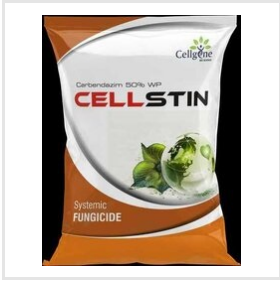

**LAMBDA CYHALOTHRIN
4.9 CS**

PROFENOPHOS 50 EC

**PROFENOPHOS 40
CYPERMETHRIN 4 EC**

CARBENDAZIM 50 WP

**CARBENDAZIM 12
MANCOZEB 63**

DROWN Bio Insecticide

**CHLORPYRIPHOS 50%
EC**

CYPERMETHRIN 10% EC
