About Us

Established in the year 2019, Heavytech Agro Machinery Private Limited has emerged as a leading manufacturer and supplier of a comprehensive range of agricultural machinery. Our product portfolio includes Electric Kadai Fryer, Roaster Machine, Turmeric Grinding Machine, Grinding Machine and many other advanced farming solutions designed to meet the evolving needs of the agriculture sector. We also offer after sales, installation, maintenance services and repairing services.

We are committed to transforming the agricultural landscape through innovation, quality, and reliability. From the beginning, our focus has been on enhancing farm efficiency, improving productivity, and promoting sustainable agricultural practices. Each product is manufactured using high-grade materials and modern technology to ensure durability, performance, and ease of operation.
