About Us

SS Water Technologies is a dynamic manufacturer, supplier, and trader committed to delivering dependable water and process solutions for diverse industrial needs. Established in 2022 and headquartered in Noida, Uttar Pradesh, India, we have steadily built a reputation for quality driven products, responsive service, and practical engineering support. Our product portfolio includes Ozone Generator, Ro Membrane Housing, Filter Cartridge, Mixer Agitator, Multi Cartridge Housing, and a wide range of allied components. Each offering is selected or manufactured with a focus on performance, durability, and ease of integration across water treatment, purification, and industrial processing applications. By aligning proven technologies with industry requirements, we help clients achieve efficient operations and consistent outcomes.

We emphasize precision, reliability, and value. Our team works closely with customers to understand application specific challenges and recommend suitable solutions that balance technical effectiveness with cost efficiency. Whether it is supplying standardized equipment or supporting customized requirements, we approach every project with professionalism and accountability. Backed by a growing network of trusted vendors and partners, we ensure timely procurement and delivery while maintaining strict quality checks at every stage. Our ethical business practices, transparent dealings, and customer centric approach have helped us earn long term relationships across sectors.

Key Facts

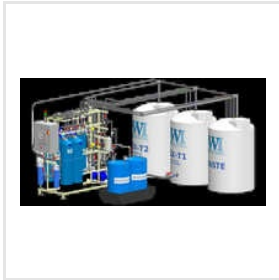

No of Staff	25
Year of Establishment	2022
No of Production Lines	1
OEM Service Provided	No

Our Products

Portable Agitator Mixer

500LPH Water Recycling Systems

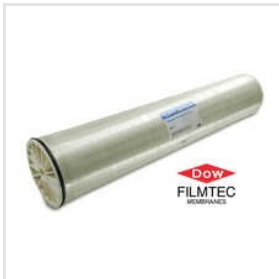

Dewatering Screw Press Machine

Sequential Batch Reactor

SS Multi Cartridge Filter Housing

Dow Ro Membrane 8040

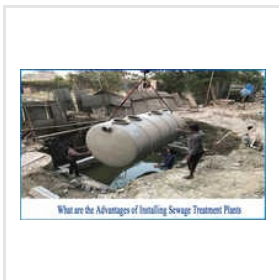

Ro Membrane Housing 4040

Industrial Ozone Generators

Pressure Sand Filters

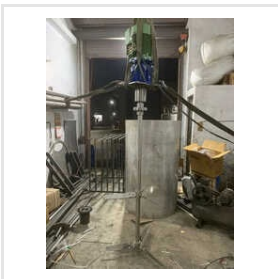

Underground Sewage Water Treatment Plant

250 LPH Industrial FRP RO Plant

Stainless Steel Filter Cartridges

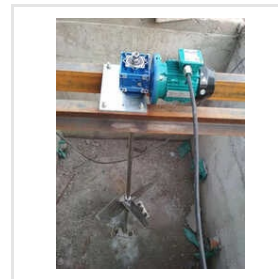

Flash Mixers Agitators

1000L Multigrade Sand Filter

RO Membrane Housing 8040

Industrial Mixers Agitator
