About Us

Veseox Private Limited is a trader, supplier, and turnkey solution provider based in Gurugram, Haryana, India. Formed in May 2017, the company has built its presence in outdoor infrastructure solutions, institutional furniture, school interiors, recreational spaces, and urban landscaping products. Located in Gurugram, within the NCR region, Veseox is well positioned to serve schools, builders, architects, landscape designers, commercial developers, residential societies, resorts, and project contractors. The company focuses on delivering practical, durable, and visually appealing solutions under one roof.

Veseox Private Limited is a Gurugram-based trader and supplier company established in 2007 in Haryana, India. We specialize in delivering customized solutions across tensile structures, awning systems, garden furniture, school interior designing, school furniture, and pet park development. Over the years, we have grown steadily by focusing on quality, functionality, and practical design solutions for diverse client needs. We work with schools, residential communities, commercial developers, architects, and contractors to create well-planned and durable spaces. Our solutions are designed to improve both aesthetics and usability while ensuring long-term performance.
