About Us

Nutrivida Naturals Private Limited is a Pune-based specialty chemicals and animal feed minerals supplier and exporter, serving industrial, agricultural, and institutional buyers across India. We are also actively establishing supply relationships with international buyers seeking a reliable, documentation-backed Indian partner. What sets us apart is the foundation we are built on. We are powered by a manufacturing partner with over 30 years of production experience.

Nutrivida Naturals Private Limited is a dynamic trading, supplying, and exporting company specializing in industrial and specialty chemicals. Headquartered in Pune, Maharashtra, India, the company was established in 2025 with the aim of delivering reliable chemical products to industries across domestic and global markets. Our primary deals are in Benzalkonium Chloride and Sodium Percarbonate Granules, which are widely used in cleaning, sanitation, disinfectant formulations, and industrial applications. With a strong focus on quality sourcing, safe packaging, and efficient logistics, Nutrivida Naturals ensures consistent supply and dependable service to its customers.
