## About Us

Leveraging on an advanced R&D facility and innovation as the driving force, we, Radicals Pharma Pvt. Ltd. have grown to popularity in the market. Our company was founded in 1984 to establish a foothold in the Indian pharmaceutical industry. Armed by an advanced laboratory, research facility and a competent team, we have earned a discernible reputation of being a manufacturer, supplier, service provider, trader and wholesaler of an array of medicinal products that include Cyproheptadine Hydrochloride Tricholine Citrate Syrup, Calcired C Calcium Carbonate, Calcitriol Calcare, Razith Azithromycin Tablets and many more. Our business is built on the core values of integrity and making quality healthcare an affordable reality.

To ensure that the huge demand of the market is catered, we have put together a team of skilled researchers, production specialists, packaging specialists, researchers and workers who ensure constant production of quality medicines. We ensure about assured quality of the product, exceptional client servicing, and advanced logistics to deliver our range to every nook and corner of the country. The offered medicinal products are delivered across India with the aid of our excellent distribution network. We also maintain an inventory to take care of bulk orders. Under the guidance of our Board of Directors, Mr. G.S. Bhatia (Md), Mrs. Indu Bhatia and Mr. Mandeep Singh Bhatia, the team is reaching the zenith of success.
