About Us

Founded in 2025, Jule is a progressive manufacturer and supplier located in Nalanda, Bihar, India, dedicated to delivering exceptional cleaning solutions for homes, offices, and commercial establishments. Our focus lies in producing premium Glass Cleaner and Disinfectant Phenyl that ensure spotless surfaces and maintain hygienic surroundings. We combine advanced formulations, eco friendly practices, and strict quality standards to meet the diverse needs of our clients.

We believe in building trust through reliability, innovation, and customer satisfaction, making hygiene and cleanliness accessible and effective. Our mission is to enhance living and working environments by offering products that are safe, affordable, and efficient, while also ensuring timely delivery and professional support to every client. With a strong commitment to quality and performance, we continue to expand its presence, providing cleaning solutions that are both effective and environmentally responsible.
