About Us

Dheer Alloys is a trusted Manufacturer, Trader and Supplier based in Mumbai, Maharashtra, India. Established in 2025, our company is committed to delivering premium-grade stainless steel products to diverse industrial sectors. We combine modern infrastructure, technical knowledge, and a customer-focused approach to ensure consistent quality and timely supply. Our organization operates with a clear objective - to provide durable, precision-engineered stainless steel solutions that meet evolving market requirements while maintaining competitive pricing and dependable service standards.

We offer an expansive range of stainless steel solutions designed to meet the needs of fabrication, construction, and industrial production. Our product categories include Stainless Steel Pipe Fitting, Stainless Steel Sheet, Stainless steel Tubes, Stainless Steel Round Bar and Stainless Steel Pipe. Each item is selected and processed to match international benchmarks for precision engineering and corrosion resistance, ensuring that your projects receive materials that are robust and fit for purpose. Strategically based in Mumbai, one of India's most important commercial and logistics hubs, our operations benefit from excellent transportation connectivities, such as road and port networks. Our infrastructure is organized to facilitate efficient material handling and storage, enabling us to respond swiftly to bulk and customized orders alike. Supported by a team of experienced professionals, we guide our clients in choosing the right products for their specific technical and commercial requirements.
