About Us

Rodex Autotech is a highly regarded and trusted name in providing superior-quality brake shoes for all brands of cars, light trucks, and heavy-duty trucks. Built around the concepts of safety, durability, and performance, Rodex has earned a great reputation with customers looking for dependable brake solutions that meet the current standards of manufacturing in the automotive industry. We manufacture and supply Brake Shoe of different brands; products that will meet diverse market requirements and be interchangeable between different brands and models. All of our products offer consistent stopping ability, lower wear rates, and greater reliability, making them ideal for use in both commercial and passenger vehicles.

Rodex thus continually assesses how to effectively meet the needs of its targeted customer base and modifies the current range of products available to the market based on changing automotive technology. Thus, Rodex has the ability to remain relevant and competitive in an ever-changing marketplace.
