PRODUCT CATALOGUE

WHY CHOOSE

VESTAL

Vestal specializes in manufacturing of Architectural Hardware products from past **47 years**.

Established in **Year 1977**, we have been serving our clients across 10 Countries around the Globe, which includes- United Kingdom, France, Italy, Spain, Germany, Belgium, Austria, Australia, UAE and USA.

In House Manufacturing-

We have more than 2000 range of products for which we have made **8000+ Export shipments** of more than **5 Crore Units**.

Vestal Has **2 Manufacturing plants** spread over **20,000 square Meter Area** which is equipped with all Modern Machinery and Plants and have Total workforce of more than **700 person**.

Quality Standards-

We have **In House Test lab** to carry our all Testing procedures required to maintain our High Quality Levels. The various Tests include- Salt Spray Test, Acetone Rub Test, Pencil Hardness Test, Cross Cut Test, Product Life Cycle Test and Endurance Tests.

We work of **1.5 AQL** for the products we manufacture.

New Developments-

We have In House Tooling department which includes designing of New **3D Models** and development of New Tools through VMC, CNC and Wire Cut Machines.

Certifications-

We are a Government of India recognized Export House with over 10+ certifications for our product range.
