About Us

Adopting an innovative work approach, we, Dolphin Pharmacy Instruments Pvt. Ltd., are specializing in the manufacturing of products that are demanded in bulk by nutraceutical companies, pharma companies and allied sectors around the world. With superior design and production capabilities in place, we bring forth a spectrum of products ranging from Tablet Making Machine, Tablet Hardness Tester, Capsule Filling Machine, Chemical Machinery, Polarography Instrument to Pharmacy Instruments and Machinery of various types, all under the popular brand names of DOLPHIN, OZONE and GENUINE.

With our wealth of knowledge and service as a manufacturer and exporter, and under the leadership of Mr. Dharmesh Shah, today, we are catering to the needs of global customers, including top tier names like Himalaya, Johnson & Johnson Pvt Ltd, J.K. Helene Curtis Ltd / Raymond, Everest Spices, KMC Manipal, and KLE Belgaum, to name a few.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	laboratory equipment,pharmacy equipment
No of Staff	16
Year of Establishment	2016
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As per requirement
ProductRange	laboratory equipment,pharmacy equipment

Our Products

Water Still

Carbon Sulphur Apparatus

Hand Stabili Meter

Triple Roller Mills

Laminar Air Flow Bench

Micro Pestle

Conical Percolator

Inspissator Lab Equipment

Micro Labware Kit

Sodium Press

Digital Thermo Hygrometer

Mechanical Stage Microscope

Ampoule Clarity Test Apparatus

Student Organ Bath

Diffusion Cell

Ergograph
