About Us

Balaji Pharma is a 2001 formed sole proprietorship company, well-known in the global pharmaceutical markets. As a trader and exporter, we offer high quality Pharmaceutical Tablets, Capsules, Injections, Creams, Nutritional Supplement, Weight Management Products, and much more. Our products like Anastrozole Tablets, Rituximab Injection, Somatropin Injection, Imatinib Tablets, Serious Mass Protein Powder, Darunavir And Ritonavir Tablets, and Cabozantinib Capsules are extensively supplied on bulk basis to customers in various domestic cities and overseas markets.

We are attaining high growth, under the sharp leadership of mentor, Mr. Mahaveer Jain. He is well-aware of the quality standards followed in the pharmaceuticals and healthcare products market. He guides our team in direction to perfectly meet the market demands and set benchmarks of success. Our mentor gets excellent support from the appointed proficient team. Each member of our team follows our corporate values and works with honesty to attain the business goals and objectives.
