## ABOUT US

SPELL is a synonym for reliability and benchmark for its effective product range for bakery, confectionery, cosmetic, pharmaceutical, emulsion explosives and various other applications. Its earmarked products and calibration to standardized norms have attested clients' satisfaction from time to time.

Over two decades, our organization has grown building up an impeccable reputation and has focused entirely on paramount quality products. We have ably understood the growing needs and aspirations of customers in the market. In order to succeed, we are dedicatedly engaged in quality enhancement, adopting technology development and deliverance with consistent standards.

We established a manufacturing unit at Nuh Tehsil in Gurgaon, way back in 1992, and have come a long way ascertaining prime quality in every aspect. The workforce is highly qualified and experienced and has been on the task of enhancing our products by sourcing out the quality raw material and optimizing high-tech machinery skills. Together with qualified professionals and cutting-edge technology, SPELL adheres to quality and is moving in steps with the expanding food market.

Our organization is supported by a good mechanism of delivering a seamless set of products and values to its customers. Our capability and credibility have helped in fulfilling social and ecological commitment too. We exclusively believe in endorsing credibility and strong commitment towards the growing needs of today's fastidious customers.
