About Us

Professionalism and ethical business practices are Sangirishta Tradex's main motive which continues to search for long-term relationships with the clients by following the timeliness, transparency and value-driven service delivery. The company provides wholesale, retail, distribution, food processing, hospitality, commercial, and other customers with efficiency and diligence. Sangirishta Tradex is a carefully selected array of products with known quality, freshness and performance. The company sells a variety of products including Natural Cashew, Cow Ghee, Fresh Onion, Vending Machine and many other basic needs used in both domestic and commercial industries.

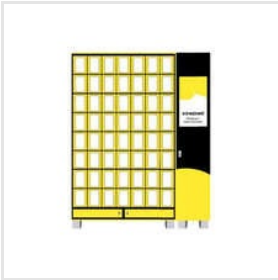

The company gets the agricultural and food products from trusted vendors and processes them under hygienic conditions to ensure freshness and nutrients. The company is committed to delivering quality products to its customers, ensuring they are packaged correctly and arrive in good condition.

It aims to offer convenience, efficiency, and ease of use for vending in commercial settings with its vending machine solutions. With the quality of the products and reliable service, Sangirishta Tradex is constantly meeting customer needs.
