About Us

Meilleur Skills India Private Limited is a leading organization engaged in the cultivation, processing, and supply of premium-quality agarwood products. With dedicated agarwood plantations managed under sustainable cultivation practices, the company is committed to producing authentic and high-grade agarwood materials that meet the growing demands of the global fragrance and incense industry.

Our diverse product portfolio includes agarwood chips, pure oud oil, bakhoor incense chips, agarwood incense products, fragrance oils, and agarwood-based perfumes. These products are highly valued for their rich aroma and are widely used in perfumery, incense burning, aromatherapy, religious ceremonies, and luxury fragrance applications across various markets. We follow strict quality control measures, including careful selection, grading, harvesting, and processing techniques, to ensure consistency in fragrance strength, purity, and overall product quality. Our focus on authenticity, customer satisfaction, and reliable supply has helped us build strong relationships with retailers, wholesalers, fragrance manufacturers, and incense product businesses.
