## About Us

Ishvanta Global Opc Pvt Ltd is an active manufacturer and supplier of engineering solutions for new age infrastructure and industrial uses. Our goal is to provide reliable and strong long-term systems that will give you performance levels you expect, even in the most extreme applications. Our product offerings include solar structure, GI cable tray cover, mounting bracket, street lighting poles, control panels, all designed with precision engineering and practical design thinking. The operation is based upon strength, durability and efficiency. Each engineering solution is designed for high structural integrity and longevity, suitable for all projects that require high stability and robust performance.

Ishvanta Global Opc Private Limited was founded in 2025 and is located in Pune, Maharashtra, India. We specialize in manufacturing, supplying, trading, exporting & importing of a wide variety of engineering and infrastructure solutions. Examples of these products include but are not limited to Solar Structures, GI Cable Tray Cover, Mounting Bracket, Street Light Poles, Control Panels. Our products serve every type of industry and infrastructure project. Our organization prides itself in delivering solutions that are strong, durable and efficient. Every product is built to exact specifications, ensuring reliability while also providing corrosion resistant and structurally sound products in challenging environments. Our design emphasizes ease of installation and good load management/carrying capacity to meet the requirements for long-term use. Ishvanta Global Opc Private Limited has a dedicated, small team that places a high value on the consistency of quality of its products and adaptability to meet the needs of differing projects. Our goal is to deliver products that are reliable, cost effective and require minimal maintenance while having a long product life. Our company will continue to grow by adhering to very high levels of engineering and building trust through reliable performance and customer-driven actions.

<b>OEM Service Provided</b>	No

## Our Products

**GI Street Light Poles**

**GI Trunking With Partition**

**Cable Tray Cover Clamp**

**GI Horizontal Bends**

**Beam Clamps**

**Cover Clamp**

**Mounting Bracket**

**Threaded Rods**

**Pipe Clamps For Utility Channels**

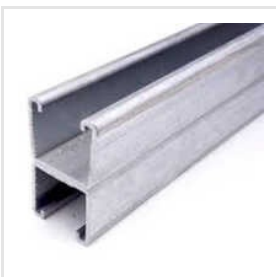

**Industrial Control Panels**

**Support Channel With Inward Bend**

**Support Channel**

**Utility Channel**

**Spring Nut For Utility Channels**

**GI Cable Tray Cover**

**Z Channel**
