MANUFACTURER, TRADER, SERVICE PROVIDER AND SUPPLIER

PRECISION ENGINEERED. PERFORMANCE DELIVERED.

USED INJECTION MOULDING MACHINE

Reliable Performance. Exceptional Value.

- PRECISE CONTROL**: High accuracy for consistent output.
- RELIABLE PERFORMANCE**: Built for durability & long life.
- ENERGY EFFICIENT**: Optimized for lower power consumption.
- COST EFFECTIVE**: Quality chemistry at the best value.

HIGH PERFORMANCE: Consistent output with superior precision.

ENERGY EFFICIENT: Advanced technology for lower power.

SAFE & RELIABLE: Built with advanced safety systems for.

BUILT FOR PRODUCTIVITY: Durable, efficient & designed for long.

QUALITY YOU CAN TRUST. VALUE YOU CAN COUNT ON. Get more. Spend less. Grow your business.

PRECISION ENGINEERED. PERFORMANCE DELIVERED.

USED NISSEI PLASTIC INJECTION MOULDING MACHINE 60 TON

- HIGH PRECISION**: Consistent output with accuracy.
- RELIABLE PERFORMANCE**: Built for durability & long life.
- ENERGY EFFICIENT**: Optimized for lower power consumption.
- COST EFFECTIVE**: Quality performance at the best value.

ADVANCED TECHNOLOGY: Engineered for maximum productivity.

STABLE & CONSISTENT: Smooth operation for high-quality output.

SAFE & RELIABLE: Built with advanced safety features.

BUILT FOR LONG TERM: Durable structure for extended machine life.

POWERFUL PERFORMANCE. PROVEN RELIABILITY. The perfect choice for your production needs.

We offer Plastic Injection Molding Machine, Vertical Moulding Machine and Used Injection Molding Machine, delivering efficient and cost-effective manufacturing solutions designed for precision, durability, and reliable production performance.

Most Popular Products

**NN50
HYPERSHOT**
COMPACT • PRECISE • PRODUCTIVE

COMPACT DESIGN. POWERFUL PERFORMANCE.
The NN50 Hypershot series delivers high-speed injection molding with exceptional precision, energy efficiency, and reliability for a wide range of applications.

TRUSTED SELLER

- HIGH PRECISION**
Stable & Accurate Molding
- HIGH SPEED**
Fast Cycle Time for Higher Output
- ENERGY EFFICIENT**
Optimized Performance & Lower Power Usage
- RELIABLE & DURABLE**
Built for Long Life & Continuous Operation
- COMPACT DESIGN**
Space Saving with Easy Access
- EASY MAINTENANCE**
User Friendly Structure for Quick Service

Bombay Hydraulic (India) is a trusted manufacturer, trader, service provider, and supplier of advanced industrial machinery, committed to delivering reliable and efficient solutions. Established in 1985 and located in Ludhiana, Punjab, India, the company has earned a strong reputation for quality and consistency. With decades of experience, we continue to support industries by offering machinery that enhances productivity and ensures smooth operations.

We offer a comprehensive range of machinery including Vertical
