About Us

Leveraging on more than a century's experience as well as sound production and designing know how, we, T. Banerjee Industries, are offering seamless Rubber Moulded products. Based at Howrah (West Bengal), we are known as the foremost manufacturer and supplier of Industrial Bellows and Industrial Moulded Products since 1905. Some of the major products in our range include Round Section Bellow, CNC Ball Screw Bellow, Rectangular Section Bellow, Profile Bellow, Pipeline Bellow, and Vibration Dampening Bellow. We are also providing Expansion Joints, Flexible Hose, Canvas Bellow, Rubber Moulded Products, Polyurethane Products, and Oil Seal & Gasket.

Our products are a hallmark of engineering excellence. Manufactured by employing advanced machinery and equipment, our products are resistant to high temperature & chemicals, robust in construction, and excellent in performance. For all our manufacturing and fabrication tasks, we have dedicated professionals who remain engrossed in their specified work assignments. Our quality products are extremely useful for application in industries such as electrical, power generation & transmission, automobile, chemical coating, printing, embossing, etc.
