About Us

KBC Sales & Service is a quality-minded organisation that operates as a manufacturer and supplier of reliable lifting and material movement solutions to meet a variety of industrial needs. We are dedicated to delivering efficient, secure material transport by a unique blend of practical design, quality engineering approach and service responsiveness. Our philosophy focuses on solutions that offer sound construction, dependable lifting ability, smooth running, and stability during operation in even the most challenging industrial environments. Our products include Gantry Crane, Underslung Crane, Electric Chain Hoists, Hot Metal Crane, Safety Brakes, and Rail Clamps, all of which can be used in areas where accurate load handling and reliable safety devices are crucial. Each solution is designed with a focus on durability, maintenance, service life and performance, giving customers more confidence and efficiency in handling materials. The practical engineering and attention to operating conditions, load movement, workplace safety and maintenance requirements address application-specific requirements.

To help ensure safer and more efficient industrial operations with reliable lifting solutions focused on engineering accuracy, long service life and usability. Our firm's goal is to provide support to industries on equipment that facilitates safe load movements, efficient handling operations and stable operation in diverse industrial applications. Understanding requirements and solutions through a quality driven approach still plays a key role and responsive service support allows for operational continuity over the entire equipment lifecycle. The company's engineering prowess and application-oriented approach aim to make it a reliable partner for businesses that demand dependable material handling solutions. Whether it is for challenging lifting tasks or everyday industrial material handling, the emphasis is on providing equipment and support that offer a combination of performance, safety, durability, and maintenance-friendliness.
