## A LifeStyle Product Manufacturer

## Profile

Hitesh industries "Happy Family" is an ISO 9001-2008 Certified, India's one of the Leading Lifestyle Plastic Products Manufacturer. The Company was incorporated 17 Years ago and in this span it is having a diversified and unique product range. The success of our company is highly associated with management along with dedicated and highly motivated team of professionals.

The quality of our products is equaling to international standards and involves used of 100% virgin plastic Raw material molded on latest and highly precision machines. Having in-house product designing facility ensure consistency and excellence in production and helps to reduce our dependability and turnaround time and thereby makes new products development faster. We are having network of over 150 distributors and stockiest and also have our presence in institutional selling, Retail chairs and most E-commerce marketplace.

We are committed towards preserving precious earth by minimizing and marking best use of available natural and manmade resources. We incorporate and encourage practices that keep our environment clean and green and ensure zero chemical discharge. We follow best practices in human resource management and carry our various corporate social responsibility activities.

...Come be part of happy family
