About Us

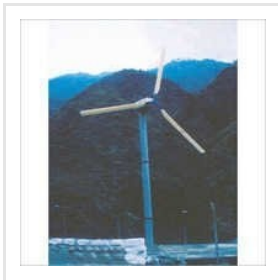

With the endeavors toward providing qualitative range of products, we Maity Udyog have developed a research facility for innovative designs and technologically driven products. Since our inception in 1994, we have set benchmarks as the established manufacturer and supplier through our customized and reliable products. Our exclusive range of products include: High Mast Lighting System, Stadium Mast Lighting System, Signage Mast, Telescopic Tilting Type Mobile Lighting Tower, Conical Poles, Octagonal Pole, Hexagonal Poles, Flag mast pole.

We have in house design and development facility to produce Swaged Type Steel Tubular Poles, Decorative Lighting Poles, Cable Tray (Ladder / Perforated Type), G.I. Flat/Strips & All Kinds Of Earthing Materials, etc. which ensures our extensive research products are top notch at affordable prices. Our designs have been approved and appreciated by I.I.T Kharagpur. Our team of skilled and experienced professionals possessing in-depth knowledge and expertise in their respective domain work diligently for customer satisfaction. These products are widely appreciated because of their cost effectiveness, flawlessness, feasibility and reliability.
