HIPS SHEET

MULTI COLOR VACUUM FORMING ABS SHEET

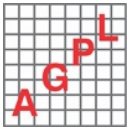

2MM THERMOFORMING ABS SHEET

About Us

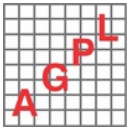

Welcome to Arihant Gold Plast Private Limited. A renowned manufacturer and supplier of plastic sheets and rolls, since 1996. We are reputed for our high-quality sheets and rolls of ABS, HIPS, PP, HDPE, EVA, LDPE, TPO and PET. Our products are used for diverse application, from manufacturing of automotive interiors, packaging for FMCG companies, printing, white goods, poultry manure belt, furniture industries, etc. Our products are defined by quality, cost effectiveness, on time delivery and sustainability. The products are tailored to customer needs with expertise in sheet extrusion. We blend innovation and advance technology to redefined our product. We have built a strong presence in the market through our diverse range of products and are constantly expanding, making us leader in our business of extruded plastic sheets.

Arihant Gold Plast Private Limited started its operation in 2007 in the bustling business hub of Mumbai. Since our incorporation over a decade ago, we have been climbing ladders of success each day owing to our high quality and diverse range of products. We have been offering a variety of polyfabrication raw materials under the brand name AGPL that include transparent PET sheets and rolls, ABS sheets, ABS door cladding sheets, multi-color vacuum-formed ABS sheets, 2mm thermoformed ABS sheets, etc. We are poised to provide high-quality products that are highly durable and are used for manufacturing a diverse range of products, including door cladding, furniture, toys, fixtures, etc. We are constantly innovating and adding new products and aim to establish AGPL as the topmost brand in the industry.
