About Us

Horse Nation is a major manufacturer, supplier, and exporter of high-quality and durable horse rugs, horse halters, saddle pads, riding breeches, leggings and tights, lead ropes, etc. Since our establishment, our mission has been clear to provide pet and horse owners with dependable, high-quality solutions that combine functionality with comfort.

Every horse or dog deserves comfort, protection, and care whether it is a light turnout rug to guard against morning chills or reliable gear for training and riding. While the market is filled with options, finding the right product that balances durability, comfort, and style can be overwhelming. That is where we come in.
