About Us

Sri Dibyadarshi Enterprises is a trusted trader, supplier, and service provider based in Khurda, Odisha, India. Established in 2023, the company is committed to delivering innovative, reliable, and cost effective solar energy and electrical solutions to residential, commercial, industrial, and institutional customers. With a strong focus on quality, performance, and customer satisfaction, we offer a comprehensive range of products including Earthing Kit, ACDB Distribution Box, Street Light, Hybrid Solar Panel, Solar Panel, Tubular Solar Battery, and so on.

Our products are sourced from reputed manufacturers and are carefully selected to ensure durability, efficiency, and long term performance. Backed by a dedicated team of professionals, we provide end to end support, from product selection and supply to installation guidance and after sales assistance. We understand the growing need for sustainable energy solutions and strive to help our customers reduce energy costs while contributing to a greener future.

We believe in building long term relationships through transparency, reliability, and consistent service excellence. Our customer centric approach, technical expertise, and commitment to timely delivery have helped us establish a strong reputation in the market. We continuously work towards providing advanced energy solutions that meet evolving industry requirements and exceed customer expectations.
