## About Us

Xtreme Machines is a sole-proprietorship company, which Mr. Monty started years ago in 2008. We take pride in introducing ourselves as a technology-focused and customer-centric company. We meet the market demands for quality passed Compounding Lines For Filler And Masterbatches, Pneumatic Dispersion Kneader Machine, Industrial Single Shaft Shredder, Automatic Shredder Machine, and many other products.

We have a huge clientele, many of our customers repeatedly do the business with us. We attract interest of customers and establish ourselves as their prime choice by delivering efficient machines and systems in several specifications. Each of the product which we provide to customers guarantees delivering excellent performance, and having low maintenance requirements.
